

Endo Encompass Bundle Program

Safe and simple bundled program covering all your endoscopy reprocessing needs

Features

- Ecolab's Endo Encompass Bundled Program is a safe and simple program which provides all your endoscopy reprocessing equipment needs in one simple bundled price per cycle.
- Ecolab Endo Encompass Bundled Program utilises all the latest equipment, providing brand new equipment featuring the latest technology, improving your operational efficiency, reliable and uninterrupted reprocessing capacity with faster cleaning throughput.
- The Ecolab Endo Encompass bundle covers all your preventative maintenance needs, facilitating compliance to standards with a comprehensive and planned service program ensuring unhindered endoscopy patient lists.
- Endo Encompass Bundled Program eliminates the need for expensive capital investments which frees up cash flow to allow you to make more profitable investments.
- Depending on your facility and requirements, the Ecolab Endo Encompass Bundled Program includes; Soluscope Automated Endoscope Reprocessor/s, Soluscope Drying Cabinet/s (optional), Soluscope EP Digital, Soluscope AER Chemical Trolley, Reprocessing Chemistry, Manual/Sink Chemistry & Dispenser/s, Service, Support and Consumables, as detailed below.
- Partner with Ecolab Healthcare, leaders in creating Cleaner, Safer and Healthier environments and the market leading AER brand with 25+ years' experience in the industry.

Product Code	Product Description	Pack Size	Quote
Bundle A	Soluscope Sprint Reprocessor/s	ea	
	Soluscope EP Digital		
	Soluscope AER Chemical Trolley/s		
	Soluscope CLN+		
	Soluscope P		

Product Code	Product Description	Pack Size	Quote
	Soluscope A		
	Soluscope SOL-TAB		
	Soluscope Micro Test Kit		
	Soluscope Air Filter		
	Asepti Epizyme Ultra		
	Sink Dispenser/s		
	Installation, Planned Preventative Maintenance, Breakdown Service (during business hours), Annual Validation (PQ) and Pump Calibration		
	AER and EP Digital Site/User Training, Pre-Cleaning Chemistry/Dispenser Site/User Training		
Bundle B	Soluscope Sprint PT (Pass Through) Reprocessor/s	ea	
	Soluscope EP Digital		
	Soluscope CLN+		
	Soluscope P		
	Soluscope A		
	Soluscope SOL-TAB		
	Soluscope Micro Test Kit		
	Soluscope Air Filter		
	Asepti Epizyme Ultra		
	Sink Dispenser/s		
	Installation, Planned Preventative Maintenance, Breakdown Service (during business hours), Annual Validation (PQ) and Pump Calibration		
	AER and EP Digital Site/User Training, Pre-Cleaning Chemistry/Dispenser Site/User Training		
Bundle C	Soluscope Sprint Reprocessor/s		
	Soluscope Drying Cabinet/s (choice out of 4 models)		

Product Code	Product Description	Pack Size	Quote
	Soluscope EP Digital		
	Soluscope AER Chemical Trolley/s		
	Soluscope CLN+		
	Soluscope P		
	Soluscope A		
	Soluscope SOL-TAB		
	Soluscope Micro Test Kit		
	Soluscope Air Filter		
	Asepti Epizyme Ultra		
	Sink Dispenser/s		
	Installation, Planned Preventative Maintenance, Breakdown Service (during business hours), Annual Validation (PQ) and Pump Calibration		
	AER, Drying Cabinet and EP Digital Site/User Training, Pre-Cleaning Chemistry/Dispenser Site/User Training		
Bundle D	Soluscope Sprint PT (Pass Through) Reprocessor/s		
	Soluscope Drying Cabinet/s (choice out of 4 models)		
	Soluscope EP Digital		
	Soluscope AER Chemical Trolley/s		
	Soluscope CLN+		
	Soluscope P		
	Soluscope A		
	Soluscope SOL-TAB		
	Soluscope Micro Test Kit		
	Soluscope Air Filter		
	Asepti Epizyme Ultra		
	Sink Dispenser/s		

Product Code	Product Description	Pack Size	Quote
	Installation, Planned Preventative Maintenance, Breakdown Service (during business hours), Annual Validation (PQ) and Pump Calibration		
	AER, Drying Cabinet and EP Digital Site/User Training, Pre-Cleaning Chemistry/Dispenser Site/User Training		
Bundle E	Abbreviated Endo Encompass Bundle		
	Soluscope EP Digital (if not already onsite) and installation		
	Soluscope CLN+		
	Soluscope P		
	Soluscope A		
	Soluscope SOL-TAB		
	Soluscope Micro Test Kit		
	Soluscope Air Filter		
	Asepti Epizyme Ultra		
	Sink Dispenser/s		
	Equipment Planned Preventative Maintenance, Breakdown Service (during business hours), Annual Validation (PQ) and Pump Calibration		
	AER, Drying Cabinet and EP Digital Site/User Training, Pre-Cleaning Chemistry/Dispenser Site/User Training
