

Smartline SmartPack

Electric Height Adjustable Workstations reduces the risk of injury

Features

- Smartline SmartPack offers your CSD an electric height adjustable work station which improves productivity and reduces the risk of staff injury.
- Smartline SmartPack workstations are manufactured in Australia and meet AS/NZS 4187:2014 standards.
- The Smartline range of SmartPack workstations are designed to have everything you need within easy reach. They offer a 100kg safe working load and are easily adjusted to department and individual working needs.
- Smartline SmartSinks feature a 300mm high tapered splashback and tapered benchtop with wetdeck perimeter, offering smooth surfaces for easy cleaning for infection prevention.
- SmartPack workstations are extremely easy to adjust with the controls within easy user reach, just under the benchtop. Height range is from 747mm to 1407mm from ground, suitable for sitting or standing.
- Smartline SmartPacks offer many customisable options from various benchtop sizes, benchtop surface finishes and a multitude of optional accessories.
- All Smartline SmartPack workstations are earthed and compliant to wiring standards, and are manufactured with adjustable bolt down feet.
